

REMARKS

The Official Action of May 9, 2006 has been carefully reviewed. The Examiner has conditionally allowed the claims, the condition being the elimination of the rejection of the claims under 35 U.S.C. §112, second paragraph. Applicant's amendments to the claims overcome each and every rejection set forth in the Examiner's Official Action. The "inner plastic container" has been changed to the --inner plastic receptacle--, whereby the antecedent basis for the term has been properly established. The scope of the claims have not been affected thereby.

In view of the above, each of the presently pending claims in this application is believed to be in immediate conditions for allowance. Accordingly, the Examiner is respectfully requested to withdraw the outstanding rejection of the claims and to pass this application to issue.

The Commissioner is hereby authorized to charge fees which may be required, or credit any overpayment to Deposit Account No. 06-0502.

Respectfully submitted,
By:
